MATERIAL CERTIFICATE

DIN500-49/31B
Acc TO EN 10204.3.1

Dated/Vorn/Date: 2017/08/16
We hereby certify that the material described above has been tested; the material complies with the terms of the order continuation. Inspection and dimensional control meet the article of ASTM B338 without complaints.

Customer/Besteller/Client:

TITANIUM SEAMLESS TUBE Specification: ASTM B338Gr.2

Size: OD22.23mm X WT1.27mm X L2438.4-3048mm

Lot No: 17D3-90 Quantity (pieces): 116PCS

Product Analyse (Composition %) Net Weight (kg): 116.4Kgs

Condition: Full Annealed
